

What Else You Should Know About Overdraft Privilege

- A link to another account or a line of credit may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$30.00 Overdraft Fee is the same fee amount that is charged if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Return Fee of \$30.00. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- There is no limit on the total Overdraft Fees per day we will charge.
- This describes the posting order for purposes of determining overdrafts. Our general policy is: ACH credits are posted first then ACH debit transactions. Checks are paid by share draft number lower to highest. Debit card transfers, online transfers, ATM transactions, ITM transactions, and in branch transactions are posted in the order they occur. The order in which transactions are posted may impact the total amount of Overdraft Fees or Return Fees assessed. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from general policies. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Return Fees assessed.
- Although under payment system rules, Sunmark Federal Credit Union may be obligated to pay some unauthorized debit card transactions, Sunmark Federal Credit Union will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts on your consumer account may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card.
- Sunmark Federal Credit Union authorizes and pays transactions using the available balance in your account. Sunmark Federal Credit Union may place a hold on deposited funds in accordance with our Master Account Agreement and Fee Schedule, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available overdraft protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available overdraft protection, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Sunmark Federal Credit Union's ATMs/ITMs.
- Sunmark Federal Credit Union will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described in this letter, Sunmark Federal Credit Union will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- Sunmark Federal Credit Union may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described in this letter). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you contact us.
- Sunmark Federal Credit Union may also suspend your debit card if your account is overdrawn more than thirty-two (32) consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.

- Sunmark Federal Credit Union may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- If your debit card is suspended, you will be unable to use your debit card for purchases or to access your account at the ATM, and if you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within thirty-two (32) days for a minimum of one business day. You must bring your account balance positive for at least one business day to have Overdraft Privilege reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Master Account Agreement and Fee Schedule. The total (negative) balance, including all fees and charges, is due and payable upon demand.
